Date: June 30, 2022

Dear Chihao Yu,

This letter confirms the arrangement between you and HORUS ANALYTICS (the "Company") concerning your internship with the Company.

We are pleased to offer you the opportunity to be an intern at the Company. Your internship will be at will. The purpose of this letter is to formally document the terms of joining the internship and training program. The details of the offer are as follows:

Position title: Software Engineering Intern
Date: 7/5/2022 - 8/4/2022, expected to work 20+ hours each week
Company Name: Horus Analytics
Requirements: We require strong analytical and software skills and the like, as demonstrated through schoolwork or prior internships.
Compensation: This position is unpaid

This internship aims to complement and supplement your education and coursework. Please note that you will not be displacing any employees of the Company by serving as intern of the Company. We also understand that the Company may not derive any immediate advantage from your activities as an intern. We are committed to your development as an individual and to providing general business experience through participation in our work.

You will be working under the supervision of a Director, Manager, and/or Advisor of the Company. We hope that your interactions with our appointed representatives will add value to your experiences. Furthermore, you and the Company understand that you are not entitled to any wages or other compensation or benefits for time spent as an intern with the Company. You are free to seek a position with the Company after the conclusion of your internship, if one were available, but you understand that nothing in this letter entitles you to a position with the Company following the completion of your internship. If you have any questions or concerns about your internship, please feel free to contact the Company's Directors, Managers, and/or Advisors. Thank you and we look forward to your arrival.

The above terms have been agreed and accepted as of 2nd *day of* July *in* 2022 *(year).*

NON-DISCLOSURE AGREEMENT

This Confidentiality Agreement (the "Agreement") is made this 2nd day of _____July_____ in __2022__ (year) ("Effective Date") by and between ____Chihao Yu_____ (the "Recipient"), and **HORUS ANALYTICS** (the "Disclosing Party") (collectively, the "Parties").

1. In connection with provision of services by Recipient to the Disclosing Party (the "Purpose"), the Parties will produce Confidential Information (as defined below). Recipient shall use the Confidential Information solely for the Purpose and shall not disclose such Confidential Information. Recipient shall safeguard the Confidential Information from unauthorized use, access or disclosure to a reasonable degree possible at all times.

2. "Confidential Information" means all non-public proprietary or confidential information produced by the Parties, including customers', suppliers' and other third parties' past, present and future business affairs including, without limitation, finances, customer information, supplier information, products, services, organizational structure and internal practices, forecasts, sales and other financial results, records and budgets, and business, marketing, development, sales and other commercial strategies; unpatented inventions, ideas, methods and discoveries, trade secrets, know-how, unpublished patent applications and other confidential intellectual property; all designs, specifications, documentation, components, source code, object code, images, icons, audiovisual components and objects, schematics, drawings, protocols, processes, and other visual depictions, in whole or in part, of any of the foregoing; any third-party confidential information included with, or incorporated in, any information provided by the Disclosing Party to the Recipient; and all notes, analyses, compilations, reports, forecasts, studies, samples, data, statistics, summaries, interpretations and other materials (the "Notes") prepared by or for the Recipient that contain, are based on, or otherwise reflect or are derived from, in whole or in part, any of the foregoing, in oral, visual, written, electronic or other tangible or intangible form, whether or not marked or designated as "confidential".

3. For the avoidance of doubt, Confidential Information includes all information and materials in any form produced by Recipient for the Purpose. Confidential Information is property of the Disclosing Party. The Recipient will use the Confidential Information solely for the Purpose or for such other purposes as may be agreed upon by the parties in writing, but not for any other purpose nor for the benefit of any other person. The Recipient will not cause or permit any reverse engineering of any of the Confidential Information. Confidential Information does not include any information that: (a) is or becomes generally available to the public other than as a result of Recipient's material breach of this Agreement; (b) is obtained by Recipient on a non-confidential basis from a third-party that to Recipient's knowledge was not legally or contractually restricted from disclosing such information; or (c) Recipient establishes by documentary evidence was or is independently developed by Recipient without using any Confidential Information.

4. Recipient acknowledges and agrees that any breach of this Agreement will cause injury to Disclosing Party for which monetary damages would be an inadequate remedy and that, in addition to remedies at law, Disclosing Party is entitled to equitable relief as a remedy for any

such breach. If Recipient is required by applicable law or a valid legal order to disclose any Confidential Information, Recipient shall notify Disclosing Party of such requirements so that Disclosing Party may seek, at Disclosing Party's expense, a protective order or other remedy, and Recipient shall reasonably assist Disclosing Party therewith. If Recipient remains legally compelled to make such disclosure, it shall: (a) only disclose that portion of the Confidential Information that it is required to disclose; and (b) use reasonable efforts to ensure that such Confidential Information is afforded confidential treatment similar to the clauses within this Agreement.

5.   Upon the end date of employment or affiliation, or at the discretion of the Disclosing Party at any time, Recipient shall promptly return all Confidential Information to the Disclosing Party or destroy all Confidential Information and Notes in its possession and, at Disclosing Party's request, certify in writing the destruction of such Confidential Information. Recipient shall continue to be bound by the terms and conditions of this Agreement with respect to such retained Confidential Information. Disclosing Party makes no representation or warranty, expressed or implied, as to the accuracy or completeness of the Confidential Information, and will have no liability to Recipient or any other person relating to Recipient's use of any of the Confidential Information or any errors therein or omissions therefrom. Disclosing Party retains its entire right, title and interest in and to all Confidential Information, and no disclosure of Confidential Information hereunder will be construed as a license, assignment or other transfer of any such right, title and interest to Recipient or any other person.

6.   This Agreement constitutes the entire agreement of the parties with respect its subject matter, and supersedes all prior and contemporaneous understandings, agreements, representations and warranties, whether written or oral, with respect to such subject matter. This Agreement may only be amended, modified, waived or supplemented by an agreement signed by the Disclosing Party. In the event that any of the provisions of this Agreement are held to be unenforceable, the remaining provisions will remain in full force and effect. No failure or delay in enforcing any rights will be deemed a waiver of such rights. This Agreement may be executed in one or more counterparts (which may be delivered by e-mail, with the same effect as an original counterpart), each of which shall be deemed an original, but which together shall constitute a fully executed Agreement.

7.   The rights and obligations of the parties under this Agreement shall remain effective unless otherwise directed by the Disclosing Party. With respect to Confidential Information that constitutes a trade secret under the laws of any jurisdiction, such rights and obligations will survive such expiration until, if ever, such Confidential Information loses its trade secret protection other than due to an act or omission of Recipient.

There are a total of 6 pages in this document. Please read and sign. Your employment WILL NOT commence until you have signed and completed all fields.

IN WITNESS WHEREOF, the Parties have hereunto affixed their signatures and executed this Agreement as of the Effective Date.
